

JEROEN VAN DALEN

ENTHUSIASTIC ENTREPRENEUR

"I'm very curious, and I love to learn. My strengths involve solving complex problems, and I focus strongly on team development."

ABOUT

I'm an enthusiastic serial entrepreneur, starting age 19 with three successful businesses. I'm very curious and love solving complex problems, either business or relational. Challenges which are worthwhile drive me to produce results. People describe me as "a quick thinker, creative, and having an associative mind."
